-NEWS AT THE HAVEN-

As the snowflakes gracefully descend upon Buffalo, Minnesota, our daycare radiates warmth and joy this December. It's a season of wonder, and our little ones are at the heart of it all. Amidst the chilly winter air, our daycare becomes a place filled with laughter, creativity, and boundless imagination. We cherish the moments spent watching their eyes light up with excitement as they engage in various enriching experiences. As we embark on this festive month, let's celebrate the spirit of togetherness and the endless possibilities that unfold within our nurturing environment.

The holiday season at our Kid's Haven is a time of connection and growth. We're dedicated to fostering a supportive community where children flourish not just academically, but also emotionally and socially. With a team committed to providing a safe and nurturing space, your child's journey with us is one of exploration and learning. As we delve into December's festivities, we're thrilled to witness the unique personalities of each child blossom in our care. We're grateful for the trust you place in us each day and look forward to continuing to create memorable moments together throughout this enchanting season.
